Note: If programs are full, you will be placed on a waiting list and begin the program at the next available start date.

Enrollment: SAT considers students enrolled only after receiving the signed application and school/program fee. Enrollment is on a "First Come, First Serve" basis by the date the fee and application are received. Graduation Requirement: Program lengths vary. Please see your counselor for individual graduation requirements.

General: Books may be purchased through the department instructor when classes start. Tools and uniforms are purchased from local vendors. A vendor list is available from the SAT Student Services Office.

Purchase costs are estimates based upon an average of prices obtained from various vendors and are subject to change without notice. A limited number of rental tool kits are available

Enrollment in a program does not guarantee availability of rental tools. Please contact SAT for more information on tool rental.

(Health Occupations courses are not diploma programs. Students will receive transcript credit only, and a completion certificate.)
